RE: LETTER OF APPRECIATION

On behalf of AGOHELMA, the children and community it supports we would like to extend our deepest and sincere appreciation for your kind donation of 500 facemasks. It is with great inspiration that we received your donation and greatly value it. Your concern for our organization in this difficult time is really appreciated. It is inspiring that you have taken your own initiative to support the children without parental care.

This support will greatly help us to protect our children from COVID-19. Without the generous support and assistance of community minded individuals such as you, we would not be able to continue to serve and support the children and community on an ongoing basis.

We greatly appreciate your commendable support together with the humanitarian thinking and the disposition you have showed to help our endeavour

We look forward to having a worthy relationship with you in the future.

Thank you in the name of God!
