Subject: Thank You

We would like to say thank you and express our deepest gratitude and appreciation to you for donating us 2000 face mask to our organization.

Mekedonia Home for the Elderly and Mentally Disabled is an indigenous non-governmental organization that provides shelter food and medical assistance for homeless, destitute elderly and mentally disabled peoples. Currently, the organization shelters near 3,000 elderly and mentally disabled people who otherwise have no means to survive.

Mekedonia always strives to pick more helpless people from the streets. Your kind donation will help us to help more helpless elderly and mentally ill people who live under incredibly difficult circumstances on the streets of Addis Ababa and other towns in Ethiopia.

We hope we will have a continued partnership. Your contribution will make a difference in the lives of many helpless elderly and mentally ill people in Ethiopia.

Sincerely,
